

**UNITED STATES DISTRICT COURT  
WESTERN DISTRICT OF KENTUCKY  
AT LOUISVILLE**

**UNITED STATES OF AMERICA**

**v.**

**Criminal Action No. 3:06MJ-230**

**STEVEN D. GREEN**

**ORDER**

The defendant having made a Motion to Preserve Evidence, and the Court having considered the Motion, and the United States' response thereto, and being sufficiently advised, the defendant's Motion shall be and hereby is DENIED.

In particular, as to the items in the defense's numbered requests 1, 2 and 3, the Motion is DENIED as moot. As to items in numbered request 4, the Motion is DENIED as the request is overbroad. And finally, as to the Motion's request that this Court order the United States to provide a list of specified items to defense counsel, the Motion is DENIED, as there is no factual or legal basis to require the creation or production to defense of such a list.

This order does not prohibit the defense from making such motions in the future concerning discovery or preservation of evidence as may be warranted by developments in this case.

SO ORDERED this \_\_\_\_\_ day of July, 2006.

THOMAS B. RUSSELL, JUDGE  
United States District Court

cc: Counsel of Record
